Persons with Disabilities Customer Service Policy

Revised May 2019

Introduction

The Accessibility for Ontarians with Disabilities Act, 2005 was passed by the Ontario Legislature with the goal of improving accessibility across Ontario for people with disabilities.

The first standard issued by the Province is the Accessibility Standard for Customer Service, which came into effect for the Summerfolk Music & Crafts Festival on January 1, 2012.

1. Policy Statement

The Provision of Goods and Services to Persons with a Disability

The Georgian Bay Folk Society is committed to providing an environment that is inclusive and accessible, and respects the dignity and independence of persons with disabilities. Persons with disabilities will be given equal opportunity to integrate and access the activities undertaken by the Folk Society and benefit from the same customer service experiences as other members of the public. In order to help us maintain these standards, if visiting our office, please advise our staff prior to your visit if you are a person with a disability who requires assistance.

This policy applies to all persons who enter our office location and at the site of the annual Summerfolk Music & Crafts Festival.

2. Policy Components

a. Communication with Persons with Disabilities

When communicating with a person with a disability, the Georgian Bay Folk Society staff and volunteers will do so in a manner that takes into account the person's disability. The Folk Society is committed to communicating by any of various means including verbally, in writing, by working with a support person, by assistive device or by electronic mail. Volunteers and staff will be trained on how to interact and communicate with people with various types of disability.

b. Assistive Device

Personal assistive technologies are permitted and unrestricted in all our office and at the site of the Summerfolk Music & Crafts Festival. Employees and certain designated volunteers will be trained and be familiar with various assistive devices that may be used by clients with disabilities while accessing our offices or the Festival site. It should be noted that the provision, use and safety of personal

assistive devices is the responsibility of the person with the disability or their support person.

c. Service Animals

Service animals are permitted and unrestricted at the Festival site and in all areas of our office that members of the public are permitted to enter. If a customer must enter an area where animals are not permitted, a safe area will be made available for the service animal to wait. At this time a representative will be made available to help the customer if needed. If it is not readily apparent that an animal is a service animal, the person you are seeing may ask the person with the service animal to provide verification of the animal's duty. Employees and certain designated volunteers will be properly trained on how to interact with people with a disability who are accompanied by a service animal. It should be noted that the use and safety of the service animal is the responsibility of the person with the disability.

d. Support Persons

The Georgian Bay Folk Society welcomes all support persons who have been hired or chosen by the client with a disability to accompany them. At no time will a person with a disability who is accompanied by a support person be prevented from having access to his or her support person while on our premises. A support person accompanying a person with a disability to the Festival will be allowed to purchase a ticket to the Festival at a 50% discount.

3. Notice of Temporary Disruption

The Georgian Bay Folk Society will provide persons with disabilities with notice in the event of a planned or unexpected disruption in the accessibility of our office. The notice will be placed at the public entrance to our office (Appendix 1)

4. Employees and Volunteers with Disabilities Training

The Georgian Bay Folk Society will train all employees/volunteers in accordance with the provincial law with the Accessibility for Ontarians with Disabilities Act.

5. Feedback Process

In order to help us ensure outstanding customer service while serving clients with disabilities as well as ensuring accessibility of our goods and services, we encourage your comments and feedback, whether positive or negative.

The Georgian Bay Folk Society patrons who wish to provide feedback on the way that we provide goods and services to people with a disability can provide feedback via email, in person or by telephone. All feedback, including complaints, will be handled by the Folk Society President. The Folk Society
